Board selection criteria stipulates a majority representation of independent directors with industry knowledge and experience.

## Monthly Income

Mortgage investment pools provide investors with a steady, tax-efficient flow-through income. Since inception, EquityLine has delivered, historically, a minimum of 8% target 10% annual return paid monthly. This income comes with the efficiency of full compliance with tax shelter regulations, including RRSPs, RESPs, RRIFs, TFSAs and most other government tax programs.

## Hard Asset Security

The mortgages in EquityLine MIC, are secured against tangible assets represented by the real estate to which the mortgages are registered. Every property we mortgage is assessed by an accredited member of the Appraisal Institute of Canada to determine current market valuation. Funds are released to the borrower after the mortgage has been legally registered against title.

## Redemption Options

Most investors prefer to buy and hold a MIC investment. However, we recognize that that some may need to redeem. Redemptions requests can be made at anytime subject to a redemption schedule based on the length of time funds have been invested and the amount of monthly redemption requests.
